I am a Junior Web Developer and designer. My strongest skills include HTML, CSS, JavaScript, PHP, SQL, and WordPress. My greatest achievement has been the development of a web-site for a renowned fashion label that achieved high visibility within weeks of its launch. I possess excellent problem-solving and communication skills, and I am highly organized and detail-oriented. I am looking for an opportunity to further develop my skills in web development and become an integral part of a successful team.
